§18.7–102.

(a) A motor scooter and electric low speed scooter sharing company shall include on each motor scooter or electric low speed scooter made available to the public an embossed tactile display with contact information through which an individual who is blind or has a visual impairment may contact the company.

(b) A motor scooter and electric low speed scooter sharing company shall provide individuals with disabilities nonvisual access to its website and mobile application in a way that:

(1) Provides full and equal accessibility to the individual with disabilities so that the individual is able to acquire the same information, engage in the same interactions, and enjoy the same services as users without disabilities, with substantially equivalent ease of use; and

(2) Is consistent with the standards of § 508 of the federal Rehabilitation Act of 1973.
